

Your Credit Union Account Has Changed

Now that you're over 18, we've converted your Minor account to a General Membership account.

What will change?

Your Youth Savings will become a Savings account, which will earn dividends when the balance is \$250 or more.

If you have any of the products below, you'll see the following changes:

- Your Youth Super Saver account will become a Super Saver and you'll be allowed two free withdrawals per calendar year, instead of four
- Your Power Players Checking or Teen Checking will become a Free Checking account
- Your debit card daily limit will be increased to our standard limits of \$610 for ATM withdrawals and \$3,000 for purchases
- You'll have access to Standard or Optional Courtesy Pay Coverage on Checking accounts

What will remain the same?

- All current owners on the account
- Your account number and debit card number
- Your Digital Banking log in information

We recommend you review and update your contact information through Digital Banking. Simply log in to your account and navigate to My Settings.
